

KEEP OUT OF REACH OF CHILDREN

DRENCH

Soil Penetrant Wetting Agent

100% Proprietary blend of specialty non-ionic surfactants with Premium Penetrant Properties

For Application in Turf & Garden Situations

Drench is a highly effective premium penetrant that achieves exceptional penetration and spreading into hydrophobic thatch and soils that will enable water to penetrate into any severely water repellent trouble spots and will maintain excellent turf and plant vigor with regular application.

Drench is designed for use on turf & gardens that is being maintained to a professional or commercial standard.

DIRECTIONS FOR USE

Situation	Application Rate	Critical Comments
Turf Management (i.e. Lawns, General Turf areas)	50 mL per 100m ²	Apply in at least 5 - 25 litres of water per 100m ² . Follow normal irrigation schedule.
Trees / Shrubs / Garden Beds		Monthly applications are recommended for best results.

Drench works best when irrigated in after application. If irrigation after application cannot happen, turf should be irrigated before next mowing. If applied in very dry conditions (above 30°C), irrigate immediately with 3 - 6 mm of rainfall equivalent.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia: 13 11 26. If skin contact occurs remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.

SAFETY DATA SHEET

For further information refer to the Safety Data Sheet (SDS), which is available from the supplier.

GHS Statements (WHS Regulation 2011)

GHS Signal word:

WARNING

HAZARD STATEMENT

**Repeated exposure may cause skin dryness or cracking. Causes eye irritation.
Harmful to aquatic life with long lasting effects.**

PREVENTION

Keep out of reach of children. Do not get in eyes, on skin, or on clothing. Wash contacted areas thoroughly after handling. Wear protective gloves, protective clothing and eye or face protection.

RESPONSE

Rinse skin or shower with water. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice. Not combustible. Use extinguishing media suited to burning materials.

STORAGE

Store in a well-ventilated place. Keep container tightly closed.

DISPOSAL

If they cannot be recycled, dispose of contents to an approved waste disposal plant and containers to landfill (see Section 13 of SDS)
